

Parental Comments July 2016

“My daughter lacked self-confidence before attending Byers Green. The staff and other children have brought her out of her shell. The school is like a little family; everybody from the cleaner to the headteacher is fantastic. The school goes above and beyond education – it cares. Outstanding.”

“My child is very happy, as I am, with the school. The staff are very approachable should I have an issue.”

“I chose this school due to previous wonderful experiences with the staff through my mum and her looked after young person. My son has loved this school and has made great progress. As a parent I always feel welcome and able to maintain great links with all staff.”

“Excellent school. Great communication between school and parents.”
