

Parental Comments July 2017

“My daughter has had a fantastic start to school. Thank you to her teacher and all the staff.”

“Byers Green is all round outstanding. My eldest child attends and my youngest will start in September. The school staff are like a family yet professional. Teachers instil a sense of calm and fun learning into a very structured curriculum. The high level of teaching delivered within this school shows in the way the children want to learn. Not just the teaching staff, the office manager, caretaker, cleaners and school cooks all play a major part in making Byers Green such an essential part, at least of my little girl’s life (home from home). Thank you all and keep up the good work! Mr Kirtley, fantastic Headteacher, seems to know (at least from a parent’s view) how to keep his staff morale high and pupils wanting to learn. Well done!”

“My son is developing very well thanks to ongoing support from his teacher and the other staff at school. Thank you!”

“Our son loves this school and has thrived here. He is making excellent progress and the staff are very caring and supportive.”

“I have not experienced any issues with bullying and therefore cannot comment. However, any issues/concerns I have approached the school with have been dealt with appropriately. Great school and I would highly recommend to other parents. Well done to everyone!”

“Very happy with my child’s progress at the school and her school report.”

“This is an excellent school. My son has progressed well and is ready to start secondary school in September. All the staff at the school do a fantastic job. Thank you for all your hard work.”
