Prepositions and map of story so far

Green group

1. I would like you to recap what a preposition is by watching the video on BBC Bitesize.

2. Fill in the correct preposition to show where the dog is on each picture – activity 1.
3. Now that you have read Chapter Two, I would like you to draw a map of Lila's journey so far. Make it as detailed as possible. The first page of the book will help you, along with some of Chapter Two.
